Summer 2010

Dear Friend of Life,

In a few days our country will be celebrating Independence Day. A Day that marks freedom for our Nation! As we celebrate with cook-outs and fireworks let us remember to pray for our unborn brothers and sisters that soon they too will be free to enjoy the lives that our God had intended for them.

It's hard to believe that it's already July. It seems like it was only yesterday that we were listening to Jamie Thietten sing about adoption at our April banquet. If you were unable to attend please go to our website to see highlights.

This past June we were invited to be a part of JFEST, radio station J-103 music festival. It was two great days of music and fellowship as we joined with thousands of other outside at Camp Jordan in East Ridge, TN. Thank-you to our volunteers that shared the truth about God's "gift of life" to the people that stopped by our booth. The funds raised from our banquet helped pay for the posters, flyers, pins, and other handouts that help tell the story of life from conception to natural death.

Voter registration and early voting is around the corner. As citizens we have a responsibility to educate ourselves and friends about the candidates and their positions on life issues. Life is a fundamental right, and it is our job to help defend it. People are afraid to mention politics and as a 401C-3 we are non-partisan. **"But being non-partisan doesn't mean we keep silent."** It means we speak out for life and inform others where candidates stand on life issues and how they have voted in the past. What does their literature say? Does it actually talk about being 100% pro-life? I would be concerned if it doesn't talk about being pro-life. We are working on getting more information on our website on the candidates' positions on life issues and TN Right to Life should have their endorsements up on their web site.

Last week Christina and I met with Jim Pinto, missionaries of the Gospel of Life director, to learn about the upcoming Freedom Rides Campaign to be held on July 23-24, 2010 in Birmingham and Atlanta. Please try to join Dr. Alverda King for this new event. www.priestsforlife.org/action/pro-life-freedom-rides.

Thank-you!
